

**Quinn Moe, CCM****Charlotte Country Club – Charlotte, NC**

Originally from Madison, Wisconsin, Quinn's passion for the game of golf led him into the private club industry. He grew up playing golf with his dad and began working at a local golf course at the age of 13, where he gained early experience as a caddie and a member of the golf operations staff.

Quinn earned his degree in Hospitality from the University of Wisconsin–Stout, completing internships at Milwaukee Country Club in 2011 and Charlotte Country Club in 2013. Upon graduating, he joined the team at Charlotte Country Club in June 2014 as an Assistant Manager. Over the past 11 years, Quinn has steadily advanced within the club and currently serves as the Assistant General Manager. He has played a key role in several major capital projects, including renovations to the clubhouse, pool, and golf training facility—helping to shape the ongoing transformation of the club.

A member of the Carolinas Chapter since 2014, Quinn is excited to serve on the Chapter Board and become more deeply involved with the chapter and its membership. In his free time, he enjoys playing golf, running, and spending time with his family.
